

Fire Training Manual
Complies with Chapter II-2 SOLAS amendments 2000 Regulation 15.2 3.1/4

Comprises the basic manual which requires the insertion of ship specific details. Appraised by MCA in the UK, this manual fulfills the requirements of the above mentioned regulations.

PB 1258 Z ▲ A4 folder

SMPEP (Shipboard Marine Pollution Emergency Plan) (Non-tanker)

Complies with MARPOL 73/78 Consolidated Edition 2002 Annex II Regulation 16 requiring any ship of 150 tons gross and above, certified for the carriage of noxious liquid substances to have a SMPEP approved by the Administration. In the case where Annex I Regulation 26 also applies it may be combined with the SOPEP.

This manual satisfies the above MARPOL regulations once basic ship specific information has been inserted by ships staff. This manual contains useful check lists covering various oil spill and pollution scenarios.

PB 1252 Z ▲ A4 folder

SOLAS Training Manual
Complies with SOLAS Consolidated Edition 2001 Chapter III Part B Regulation 35

This manual covers the basic training requirements of SOLAS and has sections arranged for inclusion of ship specific information allowing the manual to be tailored to specific vessels.

PB 1250 Z ▲ A4 folder

Garbage Management Plan & record Book
Complies with MARPOL 73/78 Annex V Regulation 9

The Garbage Management Plan is generic in nature, but provision is made for inclusion of ship specific information thereby customising the plan to individual vessels as required by the above regulations.

PB 1256 Z ▲ A4 folder

SOPEP (Shipboard Oil Pollution Emergency Plan)(Tanker)

Complies with MARPOL 73/78 Consolidated Edition 2002 Annex I Regulation 26 requiring every oil tanker of 150 tons gross and above, and every ship of 400 tons gross and above to carry a SOPEP, approved by the Administration.

This manual satisfies the above MARPOL regulations once basic ship specific information has been inserted by ships staff. This manual contains useful check lists covering various oil spill and pollution scenarios.

Welcome-on-Board Booklet

The "WOB" booklet offers basic safety induction information to personnel joining a vessel and requires that they fill in ship specific information that can be retained for future reference. A detachable slip in each "WOB" booklet provides Safety Officer's with a signed record that basic safety training has been received by each crew member. Supplied in packs of 10.

PB 1280 Z ▲ 104mm x 148mm

Survival Booklet
Complies with SOLAS Chapter IIIB Section IV Regulation 34 and the LSA Code Chapter IV Regulation 4.1.5.1.22 and 4.4.8.4. Suitable for both liferafts and lifeboats. Printed on water proof card.

PB 1201 Z ▲ 170mm x 215mm

Garbage Record Book
Complies with MARPOL 73/78 Annex V Regulation 9

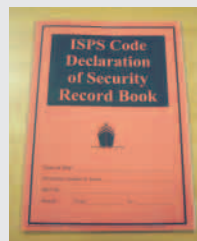

PB 1203 Y ▲

See page 25 for garbage segregation signs and the opposite page for the Garbage Disposal Poster

Water Ballast Record Book
Complies with resolution A868(20)

PB 1204 Y ▲

ISPS Code Declaration of Security Record Book
Complies with ISPS Code

PB 1205 Y ▲

See page 19 for ISPS Code signs.

Information

Maritime Progress are pleased to announce the *SafetyWORKS* suite of manuals. Covering the more commonly requested areas, these manuals are written in the easily understood *SafetyWORKS* format which is ideal for seafarers whose first language may not be English. Offered in ring binder format these manuals can be easily updated by ships staff in the event of regulation changes. Some manuals will require inclusion of ship specific information in clearly identified areas and hence may require subsequent approval by the appropriate authorities.
